

## AS5045 Demoboard V.2.

Demoboard V.2. for AS5045 Rotary Encoder

## **Description**

The AS5045-DB demoboard V.2. allows you an easy-to-use evaluation of the principle function of the AS5045 magnetic rotary encoder without additional hardware and software effort. This kit consists of a reference magnet with its holder and an LCD display. It is suitable for mechanical & hardware reference design.

The AS5045-DB demoboard V.2. can be used in standalone mode through LCD display or in combination with the AS5000-GUI PC software in order to be able evaluating all the functionalities of the AS5045 magnetic encoder.

## **Software**

AS5000 Series DemoSW
