

1425HME - SERIES

BUL86260

REV. A

ASSEMBLY INSTRUCTIONS FOR 1425HME - CASTERS

INSTRUCTIONS

A) Raise HME off the ground and remove bolts holding the bottom panel on. Keep the rubber and steel washers and reuse.

B) Install washers on to casters and thread casters into the bottom of the HME. Use the 7/16 hex head on the inside of the caster to tighten down to the HME.
